RE: Louis DeLuca

Dear Lieutenant Corbett:

My law firm represents Lou DeLuca. Mr. DeLuca has forwarded to me your letter regarding an investigation into domestic abuse of his granddaughter, Casey. As you probably are aware, Mr. DeLuca and his family reported physical domestic abuse to Chief O'Leary previously and Chief O'Leary advised Mr. DeLuca that without the cooperation of Casey, the Waterbury Police Department could not assist Mr. DeLuca's family. Chief O'Leary confirmed his discussions with Mr. DeLuca and the Chief's reaction in an interview with the Federal Bureau of Investigation on or about October 5, 2006.

At some point after his meeting with Chief O'Leary, Mr. DeLuca's family was able to obtain pictures of injuries that Casey suffered from the abuse. I have enclosed copies of those pictures, which were taken in the spring of 2005. The pictures previously were provided to the FBI. If you need any further information, please contact me.

Most sincerely,
